

Dear Mighty Giant Families,

Welcome to Success Academy at Boys & Girls Club! I am honored to serve as your principal and excited to welcome both our returning families and those joining us for the first time. As we begin a new school year, I look forward to partnering with you to ensure every student learns, grows, and thrives.

At Success Academy at Boys & Girls Club, we proudly support the Career Academy Network of Public Schools' vision of transforming lives through passionate, impactful, and innovative education. We believe every child deserves to feel known, valued, supported, and challenged, and we are committed to creating a school community where students can reach their fullest potential.

This year, our work will continue to focus on three key priorities:

### **Academic Excellence**

We believe every child can achieve at high levels when provided with rigorous instruction, meaningful support, and opportunities to think critically and solve problems. Our goal is to develop confident learners who take ownership of their learning and are prepared for future success.

### **Community Partnerships**

Student success is built through strong relationships. Families, educators, community organizations, and local partners all play an important role in helping children thrive. Together, we can create opportunities and experiences that strengthen our students and our school community.

### **Experiential Learning**

Learning is most meaningful when students can apply their knowledge in real-world ways. Through hands-on experiences, project-based learning, service opportunities, and career

exploration, students will connect classroom learning to the world around them while building skills for the future.

We are committed to creating a safe, welcoming environment where every student feels respected, connected, and inspired to grow. Open communication and strong family partnerships are essential to that work, and I encourage you to stay involved, ask questions, and share feedback throughout the year.

This handbook contains important information about our school expectations, procedures, and resources. We have also **updated our cell phone policy**, in line with the new Indiana legislation. Please take time to review it, and do not hesitate to reach out if we can support your family.

Thank you for choosing Success Academy at Boys & Girls Club. It is a privilege to serve this incredible community, and I am excited for the year ahead. Together, we will create meaningful experiences, lasting relationships, and opportunities that help every Mighty Giant succeed.

Warmly,

A handwritten signature in black ink that reads "Allison Jeter". The script is fluid and cursive, with the first letter of each word being capitalized and larger than the others.

Ms. Allison Jeter
